“...Dave was a great mentor and we know he cared for all of us, including the crew members. It was a privilege to have worked for him.” Dennis Pfaf, Branch Manager

Dave Rouley touched many lives during his tenure at Brickman. For his contribution to our company culture and to honor his memory, Brickman has established a memorial fund in his name, that will be administered through the Brickman Foundation. The Brickman Foundation is a non-profit 501(c)3 established to aid our employees faced with catastrophic financial hardship and loss due to death, illness or natural disaster. If you would like to donate in Dave’s name, please complete this form and return it to our office at the address below.
